Part 7. Civil Surgeon's Contact Information, Certification, and Signature (continued)

Civil Surgeon's Certification

I certify under penalty of perjury under United States law that:

I am a civil surgeon designated to examine applicants seeking certain immigration benefits in the United States OR a physician who qualifies under a blanket designation specified by policy or law;

I have a currently valid and unrestricted license to practice medicine in the state where I am performing immigration-related medical examinations, unless otherwise exempted;

I have not had my license to practice medicine revoked, and I am not subject to any restrictions on any license to practice medicine in any other jurisdiction in the United States in which I conduct immigration-related medical examinations.

I performed an examination of the person identified in **Part 1.** of this Form I-693, after having made every reasonable effort to verify that the person whom I examined is in fact the person identified in **Part 1.**;

I performed the examination in accordance with the Centers for Disease Control and Prevention's (CDC) *Technical Instructions*, as well as all supplemental information or updates; and

All the information I provided on this Form I-693 is complete, true, and correct, based on the information provided to me by the applicant.

3. Drug Abuse/Drug Addiction

The U.S. Department of Health and Human Services (DHHS) sets the medical guidelines for determining drug abuse and drug addiction. The terms are defined at 42 CFR 34.2(h) and (i).

Include here any diagnosis of drug abuse or drug addiction.

"Drug abuse" is "current substance use disorder or substance-induced disorder, mild," **but only** with respect to substances listed in Schedule I, II, III, IV, or V of section 202 of the Controlled Substances Act. Make the diagnosis according to the diagnostic criteria in the most current edition of the DSM, or by another authoritative source as determined by the director of the CDC.

"Drug addiction" is "current substance use disorder or substance-induced disorder, moderate or severe," **but only** with respect to substances listed in Schedule I, II, III, IV, or V of section 202 of the Controlled Substances Act. Make the diagnosis according to the diagnostic criteria in the most current edition of the DSM.

You may also make a diagnosis of full remission, according to the diagnostic criteria in the most current edition of the DSM or another authoritative source as determined by the director of the CDC. See the CDC's Technical Instructions for more information.
